As the parent/guardian of a rower:

I acknowledge that I have reviewed the CSHRA's Rules and Responsibilities and Parent/Rower Guide published on the team website, and agree to abide by the provisions of these documents. I expressly acknowledge my responsibility to help plan and run team regattas.

I certify that my child has had a physical examination within the past 12 months and has been medically cleared to participate in the sport of rowing. I agree to immediately inform the coaching staff if my child's medical condition changes. I understand that it is my responsibility to inform the coaching staff if my child has a medical condition that requires special medication (including, but not limited to inhalers) to be on hand at all times. In such instances, an Authorization of Medication must be obtained from the school nurse and submitted to the head coach.

I acknowledge that rowing is a dangerous sport in which injury, including permanent disability, paralysis, and death may occur. I understand that a condition of participation on the crew team is that I join USRowing, and sign their waiver. I understand that this provides a broad release waiver of liability and covenant not to sue USRowing, CSHRA, and its officers, directors, and coaches, as well as any other persons who are involved in practices and regattas and other rowing-related activities from any liability for any damage or injury that may occur in connection with my child's participation in the sport of rowing.

As a rower:

I acknowledge that I have reviewed the CSHRA's Rules and Responsibilities and the Cold Spring Harbor High School Code of Conduct, and agree to abide by the provisions of these documents. I will attend the school sanctioned Code of Conduct meeting.
